

# Hattie Carthan Community Farmers' Market

## Institutional Weekly Baskets

Receive a weekly supply of fresh, locally produced eggs, herbs, and/or produce, **perfect for weekly events at your institution, weekend menu specials, or as a flavorful and sustainable supplement to your regular ingredient sourcing.** We do not charge seasonal costs up front, instead you make monthly payments, one at the beginning of each month July – November.

The monthly payment is collected on the first Saturday or Sunday of the month when you collect your basket. Baskets may be picked up at our weekly Saturday market as early as 8:30 a.m and at our Sunday market between 1pm and 2pm
